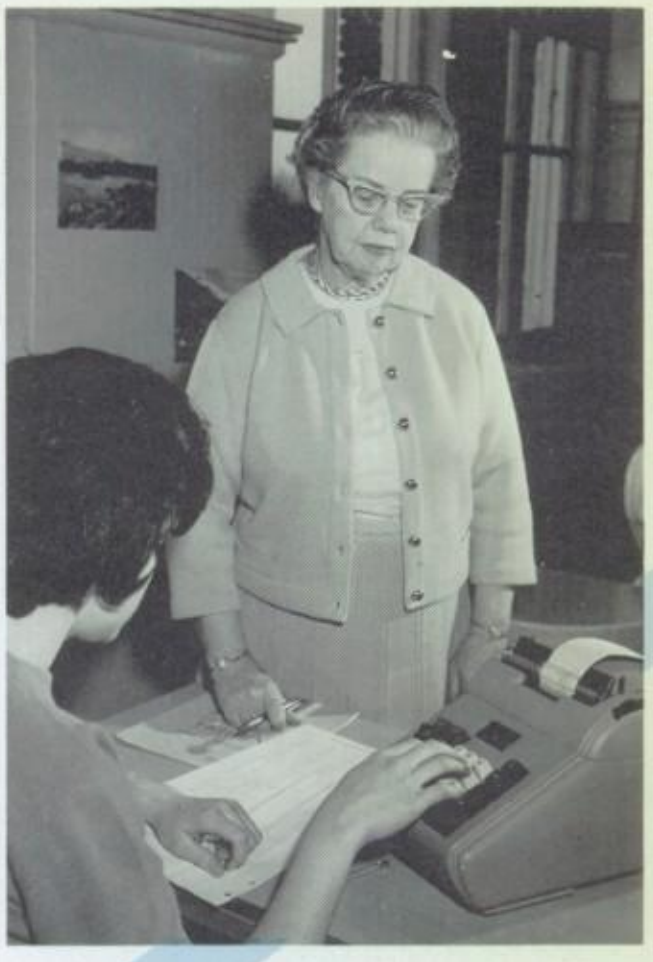
# CROSSROADS

There are many crossroads in life: small roads which lead to main roads. The years we spend in high school have many of these crossroads. And we make many stops on our journey. Our administrators, our counselors, our teachers lead us. We make stops to learn. We make stops to meet new people, new friends. We make stops for victories. We make stops for defeats. After four years, we reach the end of these crossroads. We have benefited and learned something from all the stops we have made. When we are graduated, we seem to have made it to the main road. Yet, graduation is not the end, but merely the beginning . . .

Here then is a record of the roads we have traveled during the past year at Kelvyn Park High School, and here are the people who have made the trip and the people who have lead us on our journey.



# OUR GUIDES AT THE CROSSROADS

# DR. WESLEY F. AMAR

**Principal**

**"While the world still waits, persevere in your hopes and hold fast to your ideals."**

# At the Helm, Our Principals

Our administration department consisting of Dr. Wesley F. Amar, Mr. Norman Samuelson, and Mr. Philip Brownstein work with tremendous effort towards the betterment of Kelvyn Park High School.

To the graduates, Dr. Amar sends this farewell message:

With the inexorable march of times, you may suddenly discover that this event you have so long anticipated is at hand. In truth, the extent to which you may have been overcome by the passage of time may be an indication of how well you have learned to plan your life. For some, the realization comes late that time may be a faithful friend or an implacable enemy.

Despite what you may have been led to expect from romanticized fiction, luck is a shadowy ingredient in the phenomenon of success. Far more to the point in realizing the dreams of youth are respect for such traditional and undramatic virtues as long range planning, application, and willingness to sacrifice for distant goals. While the world still waits, persevere in your hopes and hold fast to your ideals. If you do, you will rejoice for the balance of your life.

N. L. SAMUELSON

# Lending Us A Helping Hand

The guidance and counseling department in Room 201 is usually one of the busiest rooms in the building. The four counselors -- Miss Gertrude Ahern, Mrs. Frances Dykes, Mr. Martin Kenny, and Mrs. Barbara Nykiel -- and records advisor, Mrs. Dorothy Kinney, are in constant demand. And it is no wonder. They perform invaluable services in admustment of individual problems and in vocational placements. It has been said that all problems eventually lead to Room 201, and most problems are usually solved there too.

Also lending us helping hands are the matron and the men and women who staff our office, lunchroom, and engineering room. Much of the credit for our smooth-running school goes to them because of their capability and efficiency.

Records advisor, Mrs. Dorothy Kinney helpsEileen Nagel check her credits.

# Lanquaqe Arts Reveal New Worlds

Literature enables us to visit new places and meet new people. Foreign languages extends this reach even further into the world.

Here at Kelvyn Park, English is fun. The English department is always finding different ways to make the classes interesting. English 8 classes, by tradition, go to the world famous Kungsholm Restaurant for lunch and a look at the puppet opera. Other classes write their own plays and put them on with their own home-made puppets, scenery, and stage.

The public speaking classes learn the art of communication not only through speeches but also through pantomine.

The drama classes not only learned about the background of drama but also about the techniques of acting. They put their skills to use twice a year in the senior plays.

Budding journalists put their talents to test in the school paper and yearbook. The journalists also attended various annual press conferences as a supplement to their classroom instruction.

Four foreign languages are offered at Kelvyn: French, German, Latin, and Spanish. Through the use of records, students are able to learn correct pronunciation. Tape recorders are employed so the students can listen to themselves and correct their errors.

# Science, Experimenting for the Future

Science is the subject which helps us to understand the mysteries of the universe. General science introduces us to the different fields of science and then lets us pick the one which interests us most. We are then ready to learn more about biology, chemistry, and physics. Our modern laboratories and up-to-date scientific equipment at Kelvyn Park gives us the opportunity to delve into the unknown and come out with a better understanding of the world around us.

Linda Strizak and Kathy Wechner experience the joy that comes from making a "discovery" in chemistry.

# Social Studies, Past, Present, and Future

Fear and predjudice are based on misunderstandings and a lack of knowledge. The members of the social science department attempt to present facts to us so that we may understand the people with whom we live. Studying the history of the past helps us to understand some of the customs of other people. The study of current events helps us to become aware of what is going on in the world around us. By studying these various subjects, we are able to better understand others and ourselves and prepare for the future.

# Planning for the Commercial World

Commercial courses offer the students the fundamentals of general business for personal use, and provide basic, well-rounded, practical training for those who will go directly from high school into business careers.

Kelvyn Park has many business courses open to the students. These include: typing, shorthand, office practice, bookkeeping, economics, commercial law, and business organization.

# Mathematics, Appreciatinq Loqic

The mathematics department at Kelvyn Park strives to prepare students for the use of mathematics in daily life as well as to instill in them an appreciation of logic and the systems of mathematics.

Our mathematics department offers a variety of subjects. They range from remedial math courses to trigonometry and college algebra. Many special teaching aids are employed; among them an overhead projector, large scale slide rule, and special geometrical equipment.

# Art Courses Reveal Many Hidden Talents

Students taking art courses at Kelvyn Park have often found they had many artistic talents they did not suspect they had earlier.

Rudy Magnani, a student in Mrs. Adams' art class, constructed an assemblage which astonished his teacher, classmates, and himself. He began by collecting wood for a background and then wheels from everywhere. Rudy used a broken piece of wood, wheels, a brake, a sprockethead, a tire rim, and an old chain to compose his work. When he had finished, he was complimented on the fine cold and warm effect he had achieved. Although this was not quite the effect Rudy wanted his collage to have, he found the whole experience quite rewarding and satisfying.

# Home Economics, Preparing for Future Duties

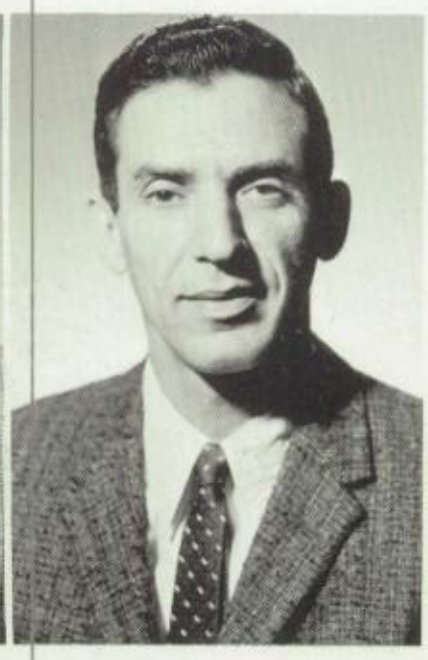
Miss Mary Corbett
Chairman

Miss Joan Ulveling

Food, clothing, and home management courses provide fundamentals for managing a home and improve personal, family, and community living. The girls at Kelvyn Park who take these courses are constantly aware of these facts. They also feel that by learning how to master these future duties in high school, they will be able to face home management tasks with confidence.

# Technical Studies, Learning By Doing

Mr. Ferdinand Heimberger
Chairman



Mr. Robert Masters

Students desiring to take a technical course can make their choice from a variety of classes. Kelvyn Park offers woodshop, industrial arts, printshop, and mechanical drawing. The boys become adapt at making various wood articles: lamp bases, jewelry boxes, and the stage scenery for the senior plays. The printshop classes are constantly busy printing the schools programs, memo pads, calling cards, and tickets for school activities.

Mr. Richard Preusen

Mr. Daniel Zachary

# Physical Education, Developing Strength and Poise

All students at Kelvyn Park take four years of physical education. The boys may substitute these classes for R.O.T.C.

The physical education courses include gym classes, health and driving classes, and swimming classes.

In the gym classes the students learn how to use various athletic apparatus, play a variety of games including soccer, baseball, basketball, football, and volleyball. Most important of all, the students learn the rules of good sportsmanship.

Swim classes practice swimming skills and take tests for Red Cross cards. The health classes take up the fundamentals of good health, hygiene, and good grooming.

# Maintenance and Lunchroom Staffs

Very important people in the daily life of Kelvyn Park are those men and women who staff the maintenance and lunchroom staffs. Our friendly and efficient lunchroom workers are always ready for the 10:45 rush. Mrs. Showalter can also rearrange the lunch periods at the drop of a revised bell schedule. This year, we were all delighted by our shiny, new lunchroom equipment.

The maintenance men keep our school running efficently day in and day out. We are especially grateful for their services on the cold winter days.

Our efficient lunchroom staff: Mrs. P. Sorensen, Mrs. F. Showalter, Mrs. L. Vivo, Mrs. I. Kolet, Mr. F. Franke, Mrs. M. Nohr, Mrs. S. Killian, Mrs. S. Laughlin, Mrs. H. Gresch, and Mr. G. Mason.

# Parent-Teacher Association

The P.T.A. contributes greatly to the educational interests of family, school, and community. Its principal function is to achieve unity between home and school, working cooperatively in the interests of education.

This year the P.T.A. performed its usual activities for the benefit of the school and presented Dr. Wesley Amar with a generous donation for the school's use.

The P.T.A. Chorus, under the direction of Mrs. F. H. Gross, entertained at regularly scheduled meetings and various school programs.

This year's P.T.A. officers were: (*Seated*) Mrs. Raymond Hanske, Treasurer, Mrs. C. T. Anderson, President, Mrs. F. R. Kraft, Recording Secretary, Miss G. Ahern, Kelvyn Park Representative, (*Standing*) Mrs. John Suchaniak, Vice President, and Mrs. Mary Lennert, Corres. Secretary.

# NATIONAL HONOR SOCIETY

President . . . . . Marianne Anderson
Vice President . . . . . Joan Schaffner
Secretary . . . . . Janet Waskow
Treasurer . . . . . Nancy Miller

The highest honor a student may achieve at Kelvyn Park is membership in the National Honor Society.

Those selected for membership have demonstrated excellence in a wide range of activities and in their studies. The framework of the society rests on character, scholarship, leadership, and service. Membership is determined by class rank, trait ratings, and participation in school activitiee.

The society is sponsored by Mrs. Edith Bunting.

# QUILL and SCROLL HONOR SOCIETY

OFFICERS

President . . . . . Linda Strizak
Vice President . . . . . .Bonnie Drummond
Recording Secretary . . . . . .Marianne Anderson
Corresponsing Secretary . . . . .Barbara Bouwman
Treasurer . . . . . Richard Koepke
Historian . . . . . Jack Koennecke

Students who are in the upper-third of their classes are eligible for membership in the Quill and Scroll National Honor Society. Sponsors, Miss Mary Dowd and Mr. Douglas Martin, also select the students on the basis of the work they have done for either the *Kelvynian* or *The Panther.*

The Quill and Scroll sponsors skating parties for the school and offers various service projects. Each year is climaxed by an annual banquet for the members.

*(L. to R.)* Mr. D. Martin, D. Morrow, O. Wirszczuk, and Kathy Wechner.

*(Sitting, L. to R.)* O. Wirszczuk, L. Strizak, *(Standing)* Donna Morrow, Carol Jones, Barbara Bouwman, and Barbara Maki.

This year through determination, cooperation, and spirit, the *Kelvynian* staff has put out the largest yearbook in Kelvyn Park's history.

Director by Mr. Douglas Martin, editors Olena Wirszczuk and Linda Strizak and their staff spent many hours arranging picture schedules, writing, laying out pages, proofreading, and selling yearbooks.

Although the job became rather hectic at times, the staff remembers the past year as one of *Kelvynian's* best.

# THE PANTHER

Putting out an eight-page newspaper twice a month takes a lot of hard work and talent. If you are in doubt of this statement, ask *The Panther's* sponsor Miss Mary Dowd and her staff.

Editors Bonnie Drummond, Karla Lanphear, Pat Felski, and their staff were faced with continuous deadlines--and they never missed one. They also found time during the past year to sponsor the school's Homecoming Dance and to attend several press conventions.

# STUDENT COUNCIL

OFFICERS

President . . . . . Joan Schaffner
Vice President . . . . . Karla Lanphear
Recording Secretary . . . . . Judee Mielas
Corresponding Secretary . . . . . Margit Kvelland
Treasurer . . . . . Rudy Magnani
Sergeant-at-Arms . . . . . Sherwin Mirsky

The Student Council is the school's student voice. Each division in the school is represented in the Council, and meetings are held regularly.

The Council passes rules to benefit the student body, sponsors various activities, and authorizes charters for the new clubs.

This year, sponsor Mr. Martin Kenny and his Student Council had many new activities on their agenda. These activities included a revision of the old Constitution, Teacher Appreciation Day, and the Student Handbook.

# MATH CLUB

The Math Club is new to Kelvyn Park this year. It was formed for students who are interested in doing research in math problems not usually presented in class. Sponsor Miss Marie Indurante reported that the club's projects have been most fascinating and rewarding for the members.

# SCIENCE CLUB

In sharing their interests in the various fields of biology, chemistry, and physics, the members of the Science Club, under the sponsorship of Mrs. Vivian Slavin, gain not only knowledge but friends with similar interests. Their interests in science is stimulated by interesting reports and fascinating experiments.

# SPANISH CLUB

The Spanish Club brings a bit of Spanish life to its members by introducing them to various Spanish customs and by having guest speakers from Latin American countries.

Besides their activities *espanol*, the club, under the leadership of Mrs. Dorothy Kenney, finds time to take part in other worthwhile projects. This year the club sponsored a fudge sale and gave the proceeds to the Lidia's Children Home and to the Logan Day Care Center for exceptional handicapped children.

# GERMAN CLUB

*Der Deutsch Verein* is as colorful as its name. Its many active members, under the guidance of Mr. William Bock, are entertained regularly by songs and instrumental music provided by club members and guests.

The club meets monthly and often shows movies on Germany, its people, and its customs. One of the club's highlights is the annual Christmas breakfast it sponsors. The club members are also active in the Spring Festival and the Parent-Teacher Association programs.

# LATIN CLUB

One of the most popular clubs at Kelvyn Park is the Latin Club. Under the direction of Mr. Otto Walther, it is always working to give its members a more extensive knowledge of ancient life. Each year at Thanksgiving, the club gives a basket of food to a needy family. It also sponsors the Latin Breakfast honoring the graduating seniors, the school's style shows, and the annual Latin Banquet.

# CHORUS

Kelvyn Park's two choruses -- the Mixed Chorus and the Girls' Chorus--have completed another successful year under the capable direction of Mr. Charles Avichouser.

The open house programs, the school's many assemblies, and the annual Spring and Fall Festivals brought sounds of applause for Kelvyn's choruses. The group continues its tradition of performing on many occasions in the Kelvyn Park community in order to foster a spirit of mutual understanding between the school and its neighbors.

# BAND and ORCHESTRA

As you pass outside the music room, you can usually hear the band or orchestra rehearsing. Their director, Mr. Eugene Steinfeld, is constantly working with his two groups. They are always preparing for a coming appearance: football games, open house, Spring and Fall Festivals, and numerous assemblies.

# ART CLUB

With the guiding hand of Mrs. Ethel Adams, the Art Club members develop their artistic abilities. They discuss and design modern art projects; several works have been entered successfully in art contests. Many of the members are art majors who design and illustrate posters for the school's activities. Their work can been seen and enjoyed in Kelvyn's halls.

# FUTURE TEACHERS of AMERICA

Members of the Future Teachers of America Club are provided with an opportunity to become acquainted with the problems and rewards of the teaching profession.

The members receive training and guidance from their sponsor, Mrs. Barbara Nykiel, in their future field. One of the past year's projects was a spring visit to the Chicago Teachers' College North.

# CAMERA CLUB

Photography is a hobby that can be enjoyed by everyone. Kelvyn Park's Camera Club members will testify to that statement. They are constantly testing methods to improve their camera techniques, and they have a ball at it!

Besides taking pictures, the members are taught how to develop film, make prints, and other photography techniques by their sponsor, Mr. Herman Rahn.

*(Row 1, L. to R.)* B. Eltoft, C. Doley, C. Clement, S. Suchaniak, J. Lennert, R. Kunz, J. Houston, S. Bartalsky, E. Schneider, L. Jones, S. Benesh, *(Row 2)* C. Hinton, S. Herod, J. Karner, M. # CIVIC FORUM

The Civic Forum provides an opportunity for students to express their ideas through speeches, debates, and panel discussions on topics of current interest.

Sponsor, Mr. Jerome Herdrich, invited some of Kelvyn Park's teachers to show the club their foreign travel slides this year. Another 1963-62 highlight was the English department's "Christmas Around the World" show presented for the Civic Forum.

# STAGE CREW

Under the skillful supervision of Mr. Ferdinand Heimberger, the Stage Crew renders a great many services which are very important to our school. At a moment's notice they are always ready to provide a well-dressed stage. And although it takes slightly more than a moment, they also provide the sets for the senior plays.

# BOOK ROOM

Room 310 is one of the busiest rooms in our school. Here all the books for Kelvyn Park's classes are received, filed, and distributed by the boys who give up their study periods to help Mr. Charles Vietzen.

The Book Room also stores and distributes the school's audio-visual equipment.

*(Row 1, L. to R.)* Mr. Vietzen, T. Swanson, J. Binder, R. Hall, M. Charnota, T. Siapkaris, *(Row 2)* D. Mydlowski, J. Mercado, P. Anderson, R. Jensen, *(Row 3)* J. Rode, L. Tischauser, J. Tietz, F. Gorsky.

*(L. to R.)* F. Nagatani, D. Suerth, B. Newman, E. Cianciarulo, J. Pratt, B. Schultz, D. Law, C. Johnson, C. Gonzalez.

# OFFICE ASSISTANTS

The Office Assistants play an important part at Kelvyn Park since the office is the center of all school activity. These students file, type, deliver messages, and mimeograph bulletins. They are truly a great aid to the office administration.

*(Seated, L. to R.)* P. Dolan, I. Kolas, C. Solberg, B. Burkhart, F. Guttman, *(Standing)* C. Dolan, P. Malone, A. Hoffman, D. Georgevitch, K. Sorensen, B. Wojdyla, Pamela Altenburg, C. Perkowski, C. Everly, J. Kras, C. Kras, C. Tchon.

# LIBRARY ASSISTANTS

Our library offers unlimited information for Kelvyn Park's students. To assist the librarians, students offer their study periods to file cards, check, mend, shelve, and catalog books.

# HOMECOMING FESTIVITIES

Homecoming festivities started October 31, 1962 with a pep assembly. Helping to put students in the spirit for the big game, the cheerleaders introduced a new victory song written by Dr. Wesley Amar, principal.

The afternoon of November 2 was cold, but the students, faculty, and alumni of Kelvyn Park didn't even feel it. They were full of spirit and enthusiasm for the game to be played against Foreman. We all knew we had to beat Foreman, and we did! It was one of the most exciting games of the season. The halftime ceremonies were highlighted by the crowning of the King, Tony Parisi, and the Queen, Rita Lombardo. In their court were Nanette Legette, Renee Lugo, Diane Miller, and Marilyn O'Connor.

The festivities were climaxed that night by the Harvest Homecoming. *The Panther* sponsored the dance. The gym was decorated with gold leaves and pumpkins to add to the harvest themes and to provide a romantic Indian Summer setting.

Kelvyn Park's Homecoming Queen Rita Lombardo and King Tony Parisi pose with two members of their court, Nanette Legette and Diane Miller, at the Harvest Homecoming dance.

Cheerleaders Gail O'Gara and Pat Mavrick ride in the Homecoming parade.

Tension mounts at the Foreman game.

Dennis Lonstine crowns a surprised Rita Lombardo Homecoming Queen during the game's halftime. Diane Miller, Barbara Schuh, Linette Jokkowske, and Renee Lugo applaud while Mr. A. Theodorou looks on.

# FALL FESTIVAL

The girls' gym classes present a calisthenics exhibit.

Vicki Egeland and Marvin Shafer spoof TV commercials in Miss M. Connolly's public speaking class show.

Mary Hauptmann and Velda Dunlap cook up a batch of cold cream and hand lotion in the science department exhibit.

Rose Knight and Scott Lombardo show off the latest fashions in the Fall Festival's fashion show.

# OPEN HOUSE

Mr. Charles Avichouser directs the mixed chorus in a Tribute to Rodgers and Hammerstein.

Public speaking students Lois Horton, Linda Olsen, Nancy Miller, and Camille Filar satirize a TV shampoo commercial.

Two evenings a year, in the fall and in the spring, Kelvyn Park throws open her doors and invites parents, alumni, and neighbors to her open house festivities.

This year's Fall Festival held on November 30 drew a crowd of over 900 to the school to see a wide array of exhibits, demonstrations, departmental displays, and full-scale performances.

One of the Festival's highlights was the musical tribute to Rodgers and Hammerstein the orchestra and chorus presented under the direction of Mr. Eugene Steinfeld and Mr. Charles Avichouser.

Visitors to the show were also impressed by the fashion show, the parody of TV commercials, the physical education department's demonstrations, and the many other attractions presented by teachers and students from all of the school's classes.

Mr. Eugene Steinfeld leads the orchestra in a Fall Festival musical interlude.

# "CHARLEY'S AUNT"

Charley's aunt comes from Brazil -- where the nuts come from.

And nutty it was!

Directed by Mr. Michael Fontanetta, the senior drama class presented Brandon Thomas' famous play *Charley's Aunt* in the school assembly hall on January 9 and 10. It was a rollicking success. From the moment Dennis Lonstine walked on stage, the audience was kept laughing.

Starring with Lonstine--and also giving top performances--were Yvonne Koester, Rita Lombardo, Diane Miller, Merilynn Oelkers, Larry Allen, Gene Lezon, Roland Maul, Ed Reynolds, and Marvin Schafer.

Besides the characters in the play, there were many other students who worked together to make the play the success it was: Linda Hanske (prompter), Magdeline Karedes and Carol Madigan (costumes), Gale Heck, Pat Mavrick, Theresa Salamore, and Judi Siedlik (makeup), Linnette Jackowski, Marson Maynor, Barbara Schuh, and Ann Wolford (publicity).

# SPRING TALENT SHOW

Talent! We've got talent at Kelvyn Park high school.

Twice a year students have the chance to prove this point at the talent shows.

Singers, dancers, instrumentalists, and actors were directed by Janet Savier and Marvin Shafer in the Spring Talent Show which took place in the Assembly Hall on April 11. Mr. William Cox sponsored the program.

The finale for the show was a senior production in which the graduates said farewell to Dr. W. F. Amar and the school.

Other highlights of the show were Tony Dema and Frank Nagatani on the piano and drums respectively; Carol Jenners singing "My Coloring Book"; Maribeth Kotora singing "That's All," and Larna Yordy and Marson Maynor singing "Paul and Paula."

# The Kelvynian Queen and Her Court

Our 1963-64 Kelvynian Queen Barbara Bock reigned in all her glory on that night of nights--June 7.

Held at the Chevy Chase, the Senior Prom provided dancers with a "Misty" background and music by Tony Martell and his orchestra.

Barbara Bock and her Court--June Dopak, Nanette Legette, Elana Rasmussen, and Larna Yordy--were chosen by popular vote as the most queenly of the senior girls.

Her Majesty, Barbara, was selected for her coveted distinction on the basis of scholarship, character ratings, extra curricular activities, and attractiveness.

# "AUNTIE MAME"

"Auntie Mame" hit Kelvyn Park's stage on May 24 like a cyclone, and the place hasn't been the same since.

Faculty director Mr. Michael Fontanetta had a large cast on his hands for the senior play and many complicated scene changes. However, he and the cast came through with flying colors.

The large audience who saw the play will probably never forget Maribeth Kotora as the zany Mame or Larna Yordy as her actress friend or Linda Strizak as the inhibited Miss Gooch. And then there was Lynda Gregory with a southern accent that dripped of molasses.

Freshman Rick Weinmen was called in especially to play Mame's nephew Patrick as a boy; senior Ed Grabowski played Patrick as an adult.

They were all ably assisted by some of Kelvyn Park's best and funniest student actors.

The actors' performances were complemented by many students who appeared only behind the scenes. Carol Jones was assistant director; Judy Miller, Vicki Egeland, and Carol Kelleher were on the art staff; Pat Gewerth helped with the costumes; Nanette Legette, Camille Filar, and Linda Olsen aided with props; Tina Kabot, Marilyn O'Conner, Thresea Salamane, Judi Siedlik, and Ann Sheer took care of the makeup; Harry Reitz managed the stage crew, and Janet Waskow, Kathy Wechner, and Donna Morrow were in charge of publicity and ticket sales.

"You certainly can't expect me to be seen at a fashionable party with that . . . " (Linda Stizak and Marvin Shafer.)

Elena Gallwitz rehearses her part as a maid with Michael Pease, Raymond Koerber, Richard Koepke, and Roland Maul.

A group of Southern gentility: Lynda Gregory, Diane Triff, Barbara Enwell, Vicki Wulf, and Robert Newman.

# FOOTBALL -- A SEASON OF VICTORIES

When this year's football team gave 100% and showed that they had the ability to adjust to the bigger teams, they made their ballclub a good defensive team.

Our boys may not have been big, but they made up for this in speed and the heart and desire to win. They also had the ability to come from behind which they proved by winning the most exciting game of the season: the Homecoming game against Foreman.

With Mr. Joseph Tadelman's expert coaching, the team had a very successful season winning six out of seven games thus enabling them to become North West Blue Division Champions and city runner-up.

Three senior players, Jeff Kupcso, Jim Gladish, and Tony Parisi, made All-City.

This year's Co-Captains were Jeff Kupcso, Tom May, and Emilio Yzaguirre.

# THRILLS AND SPILLS

This was the first year that the Kelvyn Park Varsity Team played in the rougher Red Division. They had an exceptionally good season in which they played 500 ball.

After an exciting season, the Panthers came in third place in the North Side which enabled them to participate in the play-off game against Amundsen. Although we were stopped there, 80-60, the school was proud of the boys for doing as well as they did.

Two of our outstanding players, Leroy Tischauser and Bronco Jovic, made All City.

This season's Co-Captains were Leroy Tischauser and Bob Tietz.

The newly organized Pep Club is for girls who want to help cheer at football and basketball games. Directed by Mr. Steve Primis, you can see these spirited girls at Kelvyn Park's games cheering from the stands with our peppy cheerleaders.

The Girls' Athletic Association is a club for active sports minded girls who enjoy participating in such games as volleyball and bowling. To get a GAA letter, you must have 1000 points which may be obtained in various athletic activities over a period of two years.
